

HOUSE BILL 97

By Moore

AN ACT to amend Tennessee Code Annotated, Title 68,  
Chapter 5, Part 4, relative to newborn testing for  
hyperbilirubinemia.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 68-5-401(a)(1), is amended by deleting in the first sentence the language "phenylketonuria, hypothyroidism, galactosemia and" and by substituting instead "phenylketonuria, hypothyroidism, galactosemia, hyperbilirubinemia and".

SECTION 2. This act shall take effect July 1, 2009, the public welfare requiring it.
